

SPRING COURSE 2023

COURSE INFORMATION

The course is package that includes language lessons and a sightseeing/cultural experiences. We recommended it if you want to enjoy Japan fully and for a short period! The Japanese classes are divided by level, which means you can study in the class that suits your level: from beginner to advanced. Every week on Saturday students will participate in activities and experience the culture and visit attractions in Tokyo Area. If requested, we will help students to find accommodation.
